

Chemistry Virtual Conference 2026

CONFERENCE BROCHURE

**11th International Virtual
Conference on Chemistry &
Pharmaceutical Chemistry**

March 19-20, 2026 | Virtual Conference

Theme: "Current trends, advancements and novel approaches in the field of Chemistry & Pharmaceutical Chemistry"

<https://chemistry.delightscientific.com/>

INVITATION

Delight Scientific Conferences are honoured and pleased to welcome you all at “11th International Virtual Conference on Chemistry & Pharmaceutical Chemistry” which is scheduled on **March 19-20, 2026| Virtual Conference**, with a theme “**Current trends, advancements and novel approaches in the field of Chemistry & Pharmaceutical Chemistry**”. This conference focuses on bringing together for all branches of chemistry pharmaceutical chemistry, drug design and technology professionals from various countries to discuss their ideas and views for the better progress of the entire chemistry & pharmaceutical scientific community.

Chemistry Virtual Conference 2026 will have speakers from speakers from diverse backgrounds of Chemistry, Pharmaceutical Chemistry and drug design from more than 50+ countries, who will discuss, share and explore the cutting-edge research efforts used in betterment of mankind and the pharmaceuticals.

You and your colleagues can join from home or work office and can attend all sessions featuring world experts in the field of Chemistry & Pharmaceutical Chemistry.

We welcome all the interested scientific community members to participate in our Delight Scientific conferences as Keynote Speakers, Plenary Speakers, Poster Presenters, Students, Delegates, Exhibitors and Sponsors.

Target audience

Professors, Scientists, Young Researchers, Students, Directors, Vice President, Head of technology from industries, R&D Chemist, Life Sciences Specialist, and Exhibitors in the field of Chemistry, Pharmaceutical Chemistry, Chemical Engineering and Technology

Regards

Organizing Committee

Chemistry Virtual Conference 2026

About Delight Scientific Conferences

Delight Scientific Conferences is a pioneer, scientific event organizer, offer an excellent global platform for young researchers, scientists, professors, industries professionals, academicians and other affiliated people of scientific community to share their research work, ideas and view in that particular field. We provide high quality Conferences, Meetings, Workshops and Webinars in all major fields of Healthcare, Pharma, Science, Technology and medicine.

We provide an opportunity for leading researchers, doctors, professors, academicians, scientists, medical practitioners, nurses and various industry professionals from all over the world to build network with experts, recognizing their performances with awards and have scientific discussion on the recent research work in the scientific community. We endeavor to disseminate the scientific knowledge and research through its Scientific Conferences and Meetings. We are associated with high level individuals in the scientific community dedicated to host world class conferences, virtual conferences and meetings. The key strategic objective of Delight Scientific Conferences is to communicate science and medical research work between academia and industry. All the Conferences, Meetings, Workshops and Webinars conducted by Delight Scientific Conferences are accredited with Continuing Professional Development (CPD). We provide the opportunity to participate as Poster/Oral/E-poster/Video presentations as per the speakers' convenience. All the young researchers, students can participate under the YRF (Young Research Forum) Category.

We welcome all the interested scientific community members to participate in our Delight Scientific conferences as Keynote Speakers, Plenary Speakers, Poster Presenters, Students, Delegates, Exhibitors and Sponsors.

WHAT WE DO

Delight Scientific Conferences provides the best platform, an excellent speaker and delegate experience, exceptional networking opportunities with equally passionate professionals. We are associated with vitalizing and refining the knowledge of Science & Technology to analyze the past, investigate present and formulate a new form of applied science in future for the scientific community.

WHAT IS OUR VISION

Delight Scientific Conferences provides an opportunity for leading researchers, doctors, professors, academicians, scientists, medical practitioners, nurses and various industry professionals from all over the world to build network with experts, recognizing their performances with awards and have scientific discussion on the recent research work in the scientific community.

<https://chemistry.delightscientific.com/>

- Access to all Tracks & Sessions online
- Book of Abstracts
- Conference Kit
- Certificate of Presentation by International Organizing Committee (IOCM)
- Opportunity to Chair/Co-chair a session of your interest
- Creation of one web page for each participants
- Visibility of your profile across world

Why to Attend

Chemistry Virtual Conference 2026 is an opportunity to showcase your recent research, innovation and brand to gain competitive advantages and benefits within the scientific community and this conference also provides an opportunity to meet your target audience and explore your product and services across the globe.

- To Meet Experts in the scientific community
- Learning new approaches and guidance
- New concepts and ideas for research
- Certification by IOCM (International Organizing Committee Member)
- Brand Establishment
- Global Networking with Experts and Industries
- Rebuild New Customer Base

Speakers Opportunities

- Oral
- Poster
- Workshop
- e-Poster
- Pre-recorded Video

Chemistry Virtual Conference 2026 invites all the participants from all over the world in the field of Chemistry and Pharmaceutical Chemistry to submit abstract for the presentation in below scientific sessions.

Session 01: Chemistry

Session 02: Applications of Chemistry

Session 03: Overview on Pharmaceutical Industry

Session 04: Future Scope of Chemistry

Session 05: Medicinal Chemistry

Session 06: Physical & Theoretical Chemistry

Session 07: Drug Design and Development

Session 08: Biochemistry

Session 09: Polymer Chemistry

Session 10: Environmental & Green Chemistry

Session 11: Forensic and Clinical Chemistry

Session 12: Industrial Chemistry

Session 13: Nutrition & Food Chemistry

Session 14: Organic & Inorganic Chemistry

Session 15: Petrochemistry

Session 16: Pharmaceutical

Session 17: Pharmaceutical Nanotechnology

Session 18: Pharmaceutical Analysis

Session 19: Application of Pharmaceutical Chemistry

Session 20: Drug Product Manufacturing

Session 21: Semi Solid Dosage Forms

Session 22: Packaging and Packing Materials

Session 23: Chemical Technology used in Pharmaceuticals

Session 24: Materials Chemistry and Nanotechnology

Session 25: 3D bio-printing & Forensic Chemistry

Session 26: Pharmaceutical Products

Session 27: Drug Delivery Techniques

Session 28: Nuclear and Radio Chemistry

Session 29: Medicinal Chemistry and Drug Discovery

Session 30: Natural Products Chemistry

Submit your abstract for the presentation online at

<https://chemistry.delightscientific.com/submit-your-abstract/>

<https://chemistry.delightscientific.com/>

Academic Category

- Only Registration: \$149
- 2 Member Registration: \$298
- 3 Member Registration: \$447

Business Category

- Only Registration: \$199
- 2 Member Registration: \$398
- 3 Member Registration: \$597

Student Category

- Only Registration: \$99
- 2 Member Registration: \$198
- 3 Member Registration: \$297

Other Registrations Category

- Delegate Registration: \$59
- Video/e-Poster Registration Fee: \$100
- Exhibitors/Sponsorship Registration Fee: \$299

Important Dates

- Abstract submission opens: October 30, 2025
- Registration opens: October 31, 2025
- Mid-Term Registration: February 25, 2026
- Final date of registration: March 19, 2026

You can confirm your participation/early speaker presentation slot at the Chemistry Virtual Conference 2026 by following online registration link:
